Date 18th September, 2022.
To All Specialized Companies.
Attention General Manager.
Subject **PRE-QUALIFICATION.**
Provision of Provision of Consultancy Service for BAPCO ISO 14001, and ISO 45001 Certification

Dear Sir,

Regarding the above mentioned subject, Bashayer Pipeline Company (BAPCO) FZCO Limited invites you to respond to the attached pre-qualification questionnaire.

BAPCO is a company incorporated under the laws of Dubai, having a registered branch under the laws of the Republic of Sudan. In 2018, BAPCO took over the operatorship from Petrodar Operating Company of the Central Processing Facility (CPF) at Al-Jabalain, the Pipeline from Al-Jabalain to Port Sudan and the Marine Terminal (MT) at Port Sudan. Processing activities are carried out at Al-Jabalain CPF which receives Dar Petroleum Operating Company (DPOC) crude oil from South. Transportation system starts from CPF intake point at Pumping Station #2 up to MT (Bashayer-2) through 5 Pumping Stations. MT (Bashayer-2) is fully operated by BAPCO through operations and oil movement for crude oil shipping planning, scheduling and loading to international market.

In the fourth quarter of 2022, BAPCO is planning to bid for **Provision of Consultancy Service for BAPCO ISO 14001, and ISO 45001 Certification**. In brief, the scope of the consultancy service includes but not limited to conducting gap analysis, map out current HSE policies and procedure, outline legal requirements, provide recommendations to reserve the gaps, supervise internal audit, follow-up certification process and provide audit training.
