

**From: Name of the company/ organization/ service provider**

**Subject: Hand Pump Upgrading to Mini-water yard - Um-Dokhon Venue within Central Darfur State**

**Bid Ref: OFDA/CDS/PR1004578**

The Near East Foundation (NEF) / Sudan office is seeking qualified offers for the above mentioned upgrade services. Individual/Firm/Institution is kindly invited to submit your best and final Bids for the requested services. Your bid could form the basis for a contract between your Individual/Firm/Institution and the Near East Foundation.

To enable you to submit the bid, please find enclosed:

1. Annex I: TOR Terms of Reference containing a description of NEF requirements for which these services are being sought;
2. Hand pump and its location.
3. Annex II: bid Submission Form, to be completed and returned with your bid

This letter is not to be construed in any way as an offer to contract with you as Individual/Firm/Institution.

**Manner of Submission**

1. Your bid shall be prepared in the English language.
2. Your bid shall comprise the following documents:
  - a. Final Priced bid.
  - b. Bid submission form.
  - c. Past performance with similar works completed inside Sudan, certified by end users.
  - d. General description of the work details that was previously completed and approved by other implementing partners and WES with any available photos or drawings. This description will be used for the purposes of inspection and acceptance by NEF staff and WES.
  - e. Full specifications of the solar power system and the submersible pump with valid warranties.
  - f. Warranty on all other items beyond the solar system and the submersible.
  - g. Provide more than one options if available.
  - h. Provide the time of completion, validity of the bid and warranty.
  - i. CVs of the Engineering/ technical staff members who will be assigned to design and execute the work.
3. You are free to quote in **SDG or USD**.

4. Your bid shall be prepared in PDF format fully signed and stamped, the bid shall be sent via Email to [procurementsudan@neareast.org](mailto:procurementsudan@neareast.org) before the set deadline.
5. Subject Line: bid for **Hand Pump Upgrading to Mini-water yard - Um-Dokhon Venue within Central Darfur State.**
6. In the body of the email please indicate your company's official name and full address.
7. All pages of the bid must be signed by the duly authorized manager and stamped with the business stamp.
8. Bid must be received by NEF at the above email address on or before **8<sup>TH</sup> Feb 2021, 11:59 PM** Sudan time. Any bid received after this date may be rejected. NEF may, at its discretion, extend the deadline for the submission of bids, by notifying all prospective proposers in writing. The extension of the deadline may accompany a modification of the solicitation documents prepared by NEF at its own initiative or in response to a clarification requested by a prospective proposer.
9. You are requested to hold your bid valid for **30 days** from the deadline for submission. NEF will make its best effort to select Individual/firm/institution within this period.
10. The contract will be fixed price contract covering all works related to the rehabilitation of the boreholes in the set locations.
11. Please note that the cost of preparing a bid and of negotiating a contract, including any related travel, is not reimbursable nor can it be included as a direct cost of the assignment.
12. Any requests for clarification should be referred to the email address set above in writing and before the deadline to submit bids. Any written reply to a particular question may be copied to all other invited firms/institutions, at the discretion of NEF.
13. Near East Foundation is not committed to award based on the lowest bids.

## ANNEX I: TERMS OF REFERENCES

### A. Purpose and Scope of Assignment

The Near East Foundation Sudan office is seeking qualified bidder to complete the **Hand Pump Upgrading to Mini-water yard - Um-Dokhon Venue within Central Darfur State**. NEF desires to enter into a firm fixed price contract for upgrade works, with the scope outlined in the attached BOQ and the list of locations. Any change to the scope/ cost or time of completion should be in writing and after both parties review the reason for the change and the impact on the above factors and additional works must not start before final approvals by both parties in writing on the proposed changes.

**B.** The contractor shall complete all the works, clear and clean the site of any debris, conduct all required tests within the period of performance of the contract, any delay that is not under an approved change order by both party will subject the contractor to delay penalties (1% of the contract value per day up to 15 days after which NEF has the right to terminate the contract).

### C. Service Standards

The Contractor shall provide all original materials and spare parts from the manufacturing company, complete the work, conduct the tests under supervision from NEF point of contact in the field, and submit a formal notification of completion to initiate the final inspection / approval stage. NEF will pay only for completed and inspected works after completion and based on the report from NEF supervising staff.

### D. Quality Control for the Services

The Contractor shall establish and operate to monitor on a regular and continual basis the quality of works provided to NEF, the contractor must share and implement its own quality control process with the supervising NEF staff.

NEF reserves the right to conduct its own quality control inspection any time during the contract period.

The Contractor warrants that all personnel assigned to handle NEF works shall have a strong experience and the capacity to complete the works at the highest quality possible.

NEF will coordinate regular monitoring of the work jointly with WES who will be part of the final inspection and acceptance of the work.
