<p>NRC is obliged to ensure that its procurement decisions are clearly justified and documented and keeping within the Donors mandatory principles. In that regard, full and on-the-spot access must be granted to representatives of NRC, the Donor or any organisation or person mandated by it, to premises belonging to NRC or its contractors. The right to access shall include all documents and information necessary to assess or audit the implementation of the contract.</p> <p>NRC also expects suppliers who process personal data to comply with the General Data Protection Regulation (EU GDPR) and any relevant national legislation. Suppliers processing personal data on an NRC contract will be required to sign a data processing / sharing agreement as part of the contract. Refusal to sign such an agreement constitutes refusal of the contract terms and forfeiture of the contract on the part of the supplier.</p> <p>If the activities of the contract take place in areas with Explosive Hazards, NRC accepts no liability for injury and/or death to contractor's staff or damage to contractor's property.</p>	<p>Anti-money laundering, anti-bribery, anti-corruption and anti-terrorism legislation and donor regulations require NRC to screen contractors against various international lists to ensure due diligence. Submission of the quotation constitutes acceptance of these screening practices.</p> <p>NRC aims to purchase products and services with minimum environmental impact. Environmental considerations form part of the NRC selection criteria, and NRC reserves the right to reject quotations provided by suppliers not meeting these standards.</p> <p>All suppliers doing business with NRC should maintain high standards on ethical and environmental issues, respect and apply basic human and social rights, ensure non-exploitation of child labour, and give fair working conditions to their staff. <u>Suppliers will be required to sign and submit an Ethical Standards Declaration, together with their bid.</u></p> <p>NRC reserves the right to reject quotations provided by suppliers not meeting these standards.</p>
