

Invitation to Tender for Rehabilitation of Hajar Al-Shwaya Hafir in Central Darfur State

Vétérinaires Sans Frontières Germany (VSF Germany) is an international non-profit non-governmental organization (INGO) dedicated to improving the livelihoods, food security, and resilience of vulnerable rural and pastoralist communities that depend on livestock. The organization implements humanitarian and development programmes focused on veterinary services, food security and livelihoods, natural resource management, WASH, and community capacity strengthening, working closely with local partners and authorities across its countries of operation.

VSF Germany is implementing an EU-funded programme, “Strengthen Markets, Agroecology, Resilience & Employment (SMART)”, in Central and South Darfur, and hereby invites bids from qualified contractors for Hafir rehabilitation works, as detailed in the table below:
