Sony BC-QZ1 Battery Charger for NP-FZ100 	2		Charger for Sony NP-FZ100 Battery
ULANZI BP10 35L Hard-shell Camera Backpack	1		Professional Waterproof Photography Camera Case Anti Theft Travel for Photographers Unisex Drone DSLR Mirrorless Camera Lens Tripod Holder 17" Laptop Black

Large Capacity Backpack, DIY the Space as You Need The personalized dividers offer adaptable organization for your necessities and camera equipment, ensuring it's the ideal bag for any situation. 			
• SanDisk Extreme Pro 2TB Portable SSD 	4		4TB Portable NVMe SSD, USB C, up to 2000MB/s, Ruggedised and Water Resistant
• NALACAL Waterproof Camera Bag. Small Body, Large Capacity 	1		Mirrorless Cameras, Lightweight Travel Bag.
JBL Tune 670NC - Adaptive Noise Cancelling with Smart Ambient Wireless On-Ear Headphones, Up to 70H Battery Life with Speed Charge, Lightweight, Comfortable and Foldable Design (Black)	2		• Adaptive Noise Cancelling with Ambient Aware and TalkThru modes via JBL app. • High-quality LE Audio streaming with Smart Audio & Video optimization modes. • Powered by JBL's renowned, venue-quality

			bass performance. Fully adjustable listening experience tailored through the companion app.
Rode PodMic Cardioid Dynamic Broadcast Microphone with Rode NTH-100 Over-Ear Headphones 	1		- Broadcast-grade Rode PodMic for professional-quality audio - Integrated pop shield to reduce plosive sounds - Durable all-metal construction with rugged swing-arm mounting - Rode NTH-100 headphones with 40mm drivers for accurate sound reproduction - Closed-back design providing passive noise isolation - Memory foam padding and CoolTech gel for comfort during long sessions - FitLok headband adjustment for repeatable comfort settings
Focusrite Scarlett 4i4 4th Gen USB Audio Interface, for Musicians, Songwriters, Guitarists, Content Creators — High-Fidelity, Studio Quality Recording, and All the Software You Need to Record 4-In/4-Out USB-C Audio Interface, 2	2		Complete Studio Hub: Connect all your gear at once with multiple mic, instrument, line, and MIDI inputs/outputs.

Ultra-Low-Noise Mic and Hi-Z Preamps with Air, Midi I and O, Auto Gain and Clip Safe

- Pro Sound Quality: Uses top-tier converters with a 120dB dynamic range for crystal-clear recordings.
- Enhanced Signature Tone: Air mode adds warmth, presence, and harmonic richness to vocals and guitars.
- Smart & Safe Recording: Auto Gain sets ideal recording levels automatically, while Clip Safe prevents audio distortion.

DJI Mic 3 Bundle (2 TX + 1 RX + Charging Case), Wireless Microphone for iPhone/Android/Camera, 32-bit Float Internal Recording, Dual Band Anti-Interference, 28h Use, Available for Lightning Device

1

- Ultra-Portable: Pocket-sized for on-the-go shooting.
- 4-Channel Output: Syncs up to 4 transmitters & 7 receivers for podcasts/groups.
- Adaptive Gain: Automatically balances volume for clear audio anywhere.
- Custom Audio: 3 voice tones & 2 noise-cancellation levels.
- 32-Bit Float Backup: Onboard recording prevents clipping and lost audio.
- Anti-Interference: Stable dual-band transmission in crowded areas.
- Includes: 2 TX, 1 RX, charging case, phone adapters, & accessories (*Not compatible with older DJI Mic models*).

Godox softbox 95cm 37" Octagon Honeycomb Grid Strip Softbox Strip Box with Bowens Mount 	4		• Design & Build: An enclosure featuring a black exterior, a high-reflection silver interior, and a front diffusion panel. • Lighting Compatibility: Works with both flash and continuous light sources (fluorescent, halogen, tungsten). • Note: Must be heat-rated for the lamp's wattage when using "hot lights" to prevent fire hazards. • Light Quality: Produces soft, accurate, bright, and even lighting that enhances skin tones, softens blemishes, and makes colors pop for a professional finish. • Portability: Easy to disassemble, fold, and transport, making it suitable for both studio work and outdoor mobile photography.
	4		•
Noise Reducer(Annual / Monthly)2 Years	1		• Background Noise Removal: Eliminates unwanted background sounds such as air

		conditioners, wind, hums, and traffic noise. • Voice Enhancement: Cleans up audio recordings to make human speech sound crisp, clear, and professional. • AI-Powered Cleanup: Uses smart algorithms to detect and isolate noise automatically with a single click. • Format Flexibility: Supports a wide range of popular audio and video formats (MP3, WAV, MP4, etc.)
Claude Team 2 Years	4 Users	• Massive Document Analysis: Easily reads, analyzes, and summarizes long reports, PDFs, and data files. • Natural Writing: Drafts professional reports, emails, media content, and scripts with exceptional quality. • Claude Projects: Allows teams to share a dedicated workspace with custom files and reference materials. • Coding & Visual Processing: Advanced capabilities in writing code, debugging, and analyzing images and charts. • High Data Privacy: Enterprise-grade security that ensures company data is

			protected and not used for AI training.
Canva for Teams Subscription (Annual / Monthly) 2 Years	3		• Full access to premium visual assets, brand kits, and professional templates. • Advanced editing tools (Background Remover, Brand Controls, High-Resolution Exporting). • Streamlined graphic design workflows to deliver timely media collateral for internal and external communications.
Extending Adobe subscription for an extra year	1		
Apple 2026 MacBook Pro Laptop with Apple M5 Pro chip with 18-core CPU and 20-core GPU: Built for AI, 14-inch Liquid Retina XDR Display, 24GB Unified Memory, 1TB SSD, Wi-Fi 7; Space Black 	1		• Next-Gen M5 Performance: Powered by M5 Pro/M5 Max chips with faster CPUs, 2x faster SSD storage, doubled starting storage, and built-in Neural Accelerators for powerful on-device AI. • Built for Apple Intelligence: Designed to seamlessly run demanding AI tasks and LLM models locally with total privacy. • Brilliant 16.2" Display: Liquid Retina XDR screen with up to 1600 nits peak brightness and stunning contrast. • All-Day Battery Life: Delivers top-tier performance whether plugged in or running on battery. • Smooth macOS & Ecosystem: Fast app performance, built-in security, and effortless iPhone integration (iPhone Mirroring, cross-device copy-paste, and call/text sync).

Apple 2024 iMac All-in-One Desktop Computer with M4 chip with 10-core CPU, 10-core GPU: Built for Apple Intelligence, 24GB Unified Memory, 512GB SSD Storage; Silver with AppleCare+ (3 Years) 	1		• AppleCare+ Coverage: Direct priority support (24/7), unlimited accidental damage repairs (like screen cracks), battery coverage, and convenient global or onsite service. • Apple M4 Performance: Fast processing powered by the M4 chip for effortless photo editing, productivity, and gaming. • Built for Apple Intelligence: AI-assisted writing and task management with built-in privacy protection. • Sleek All-in-One Design: Ultra-thin 24-inch desktop available in seven vibrant colors. • Stunning 4.5K Retina Display: 24-inch screen with 500 nits of brightness and support for 1 billion colors. • Pro Camera & Audio: 12MP Center Stage camera, studio-quality microphones, and a 6-speaker system with Spatial Audio.
Wood Storage Cabinets With Doors And Shelves	1		• Equipment Protection: Keeps sensitive gear (cameras, lenses, mics, tube lights) safe from dust, humidity, and physical damage when not in use. • Organization & Efficiency: Dedicated compartments for cables, chargers, and accessories allow quick prep, easy inventory checks, and prevent lost items. • Security: A lockable cabinet prevents unauthorized access, protecting valuable assets and sensitive media files stored on memory cards.

			• Extended Gear Lifespan: Proper storage reduces wear and tear, prevents accidental falls, and lowers maintenance and replacement costs.
Godox TL30-K2 RGB Tube Light 2- Kit 	2		• Dynamic Lighting Control: Adjustable color temperature (2700K–5600K) and 0–100% dimming for precise brightness. • Superior Color Accuracy: Professional-grade color rendering with TLCI 99 and CRI 97 for vibrant, true-to-life colors. • Versatile Mounting: Features magnetic mounting and dual 1/4"-20 threads for flexible setup on various surfaces. • Extended Battery Life: Built-in 2900 mAh rechargeable battery delivers up to 1 hour of runtime at maximum brightness. • Portable & Weather-Protected: Includes a carrying case and waterproof bags for easy transport and protection on location. • Smart App Control: Wirelessly control lighting adjustments and creative effects via the Godox Light mobile app.
